

TRS-DSAI
2-DAY INTERNATIONAL WORKSHOP ON

30-31
OCTOBER 2026

LT-201 & LT-202
TIET, PATIALA

INTELLIGENT SYSTEMS: THE FUTURE OF ROBOTICS AND AI

IDEAS | INNOVATION | IMPACT

This workshop brings together researchers, industry experts, start-ups, and students from India and abroad to explore the latest advances in robotics, autonomous systems, and intelligent technologies. It fosters knowledge exchange, awareness, and academic-industry partnerships.

INTELLIGENT
SYSTEMS
REAL IMPACT

100+
Participants

Academic
Speakers

Industrial
Exhibitions

Technical
Workshops

INVITED ACADEMIC SPEAKERS

Prof. Tim Miller
University of Queensland, Australia

Prof. Tirthankar Bandyopadhyay
CSIRO, Brisbane, Australia

Prof. Ashish Dutta
IIT Kanpur

Prof. Shyamanta Hazarika
IIT Guwahati

Dr. Sitikantha Roy
IIT Delhi

Dr. Nirav Patel
IIT Madras

INVITED INDUSTRIAL SPEAKERS

Prof. Ekta Singla
Director, SOR, NAMTECH, TRS Secretary

Mr. Rajesh Kumar
Head - Advanced Robotics, Addverb

Dr. Pranav Lad
Senior Engineer, Mathworks

Prof. Harish PM
IIT Gandhinagar, Director, AB6 Robotics

Mr. Aditya Marathe
CEO, Nugenix Robotics

Mr. Puneet Jindal
CEO, Labellerr AI

INDUSTRIAL EXHIBITION/ HANDS-ON SESSIONS

MathWorks
MATLAB and Simulink applications

Qualisys
Optical Motion Capture & Analysis

Noraxon
Biomechanics, EMG & Human Performance

Delsys
Wearable EMG and Human-Robot Interaction

Nugenix
Robotic Manipulation, ROS & Intelligent Systems

Labellerr AI
Computer Vision, AI Data & Model Training

DAY-WISE THEMES

Day 1	30 Oct 2026	Robotics and AI in Healthcare
Day 2	31 Oct 2026	Robotics and AI in Defence and Rescue Applications

OTHER HIGHLIGHTS

Industry Exhibition
Robotics Infrastructure
Networking Opportunities
Industry Career and Placement Opportunities
