

Rohit Ranjan Bhattacharjee

Customer Success Engineer - Education Team, MathWorks

Rohit is a Customer Success Engineer with the Education Team at MathWorks.

He is completing his PhD in Aerospace Engineering at IIT Madras, where he investigated flows in gas turbine engines using advanced image processing techniques. He has over 7 years of experience in academic research and has published several papers in reputed journals, including one that received the Distinguished Paper Award from the Proceedings of the Combustion Institute.

Previously, Rohit earned a Master's degree by research at the University of Ottawa, where he studied supersonic flows, and a Bachelor's degree in Aerospace Engineering from Carleton University, Canada.
